Each divison on the right hand circle denotes 100 feet, and on the centre circle, 1,000 feet, and on the left hand circle, 10,000 feet. To take a statement from the meter, begin at the left and set down the *lowest* figures next to the hands on each circle, which in the diagram are 3, 2 and 8; showing the statement to be 32,300. If at a former observation the hands were at the *dotted* lines, the statement then was 20,200; and the difference between the two statements is the amount of Gas consumed—viz. 12,100 Cubic feet.

BILLS TO BE PAID AT THE OFFICE ONLY FROM 9 A. M. TO 3 P. M.—Keep all your Bills.
